## **SUPERINTENDENT'S WALL**

**September 2023**

Dear Index Families,

Welcome to the 2023-2024 school year! Our first day with students will be Wednesday, September 6<sup>th</sup> at 8:00 AM. I am excited to meet the students and families. Please stop by to introduce yourself when you are on campus.

We are completing our professional development days with the staff this week in preparation of the arrival of students next week. Everyone is busy preparing to open the school year next Wednesday. We are focusing on the theme of "Let Your Voice Be Heard" as we begin the year. This theme will be expressed through public speaking, encouraging students to express their learning, and communicate with kindness. Opportunities to practice using their voices will involve book talks, older students reading to younger students, music and drama and inviting our students to write articles for the Bear News.

We hope to supplement the classroom learning with additional experiences again this school year. Swimming lessons, free ski passes, field trips, the Young Authors Conference and other activities are already in the planning stages. I will communicate more as the school year rolls out. Please be encouraged to contact me if you become aware of other opportunities for our students.

We are including some opportunities for community learning below along with key information from the Student Handbook. I hope to meet all of you in the coming weeks.

Best Regards,

Allan
